

Procedure for Purchasing TRANSER Membership Stock At Nansemond Swim Club

- 1. Contact a current member in good standing desiring to sell their NSC Membership Stock. Negotiate and finalize the purchase price of the stock. The buyer should give the seller no money at this point.**

- 2. The buyer should complete a “Request for New Membership” form, which can be obtained at the pool during the summer open season, or by going to the Nansemond Swim Club site here. Email this form to aebel@chkd.org or fax it to me at 668-9344. If you have questions, please call 238-8136. Make sure to have two current NSC members in good standing sign the new membership form.**

- 3. In the summer open season, you will hear back from me within 3-5 days about your transfer membership. In the off-season (Labor Day through Memorial Day) you will hear from me after our Board meetings, which are the 4th Monday of every month except in November and December.**

- 4. It is then that you (the buyer) should pay the seller for your stock.**

- 5. The seller should then send to Nansemond Swim Club their original stock certificate. This will be the indication to me that the buyer has paid the seller.**

- 6. Once I receive the seller’s original certificate, I will issue you (the buyer) your own new certificate.**

- 7. During the summer open season, dues of \$375 (prorated, if applicable) will be due before using the pool. I will ask our pool treasurer to invoice you by email. In open season you can pay bills directly at the pool. During off season, your invoice will arrive by email sometime in the Spring.**

Mailing Address: Nansemond Swim Club, PO Box Box 6080, Suffolk, VA 23433

Thank you!

**Angie Ebel
NSC Membership Chairperson**
